Subject: Birdi Systems, Inc - Assignment - QA/QC Analyst  
To:

Dear Candidate,

I hope this email finds you well. As part of further interview process, please complete the below assignment and revert us back.

Timeline set to complete this assignment is 2 days (**Deadline – 4<sup>th</sup> July 2024 – 10am**)

**Note: If you find any difficulties while completing your assignment, please mail back immediately (do not call)**

**Assignment Overview:**

We are in the final stages of preparing website for launch and need to ensure that it meets our quality standards before making it live. For this purpose, we have identified key features that we plan to take into production, namely:

Add Customer  
Add Tariff Plan  
Add Tariff plan to customer  
Pay billing

**Website Credentials:**

Website URL: [Guru99 Telecom](#)

**Assignment Tasks:**

**A) Test Plan Document:** Your first task is to prepare a comprehensive Test Plan Document that covers the testing of the above-mentioned features using different types of testing methodologies. Please outline your approach, testing strategies, and any tools or resources you plan to utilize.

**B) Test Cases and Bug Reporting:** Your second task is to write down all possible test cases for the following scenarios, execute the tests, and document any bugs you encounter:

1. User add a customer successfully
2. User Add a Tariff Plan for customer created in above scenario 1
3. User pays bill for the added customer

**Additional Information:**

Feel free to leverage any ideas, tools, or resources you deem necessary to complete the tasks effectively. We encourage you to provide detailed documentation and clear explanations for your testing approach and findings. The deadline for completing this assignment is [Timeline].

**Submission Instructions:**

Please submit below deliverables by the deadline specified above.

1. Test Plan Document,
2. Test Cases document with execution status
3. Bug Report file
4. Automation Test Script

We look forward to reviewing your work and discussing your insights. If you have any questions or need further clarification on the assignment, please don't hesitate to reach out.

ALL THE BEST!
